EDUCATION & EMPLOYMENT

2026 - **Director**, Brain Health Research Institute, Kent State University, Kent OH
2024 -2026 **Chair**, Dept of Psychological Sciences, Kent State University, Kent OH
2022 - **Professor**, Dept. of Psychological Sciences, Kent State University, Kent, OH
2017 - 2022 **Associate Professor**, Dept. of Psychological Sciences, Kent State University, Kent, OH
2010 – 2017 **Assistant Professor**, Dept. of Psychological Sciences, Kent State University, Kent, OH
2008 – 2010 **Post-Doctoral Research Scientist**, Dept of Psychology, Columbia University, NY
Mentors: Geraldine Downey, Ph.D.; Eshkol Rafaeli, PhD
2008 **Ph.D. Clinical Psychology** (APA Accredited) Columbia University, NY
Mentor: George A. Bonanno, Ph.D.
2007 – 2008 **Psychology Intern**, (APA Accredited Internship) Child Psychiatry, St. Luke's-Roosevelt Hospital, NY
2005 **M. Phil. (*En Passant*) Clinical Psychology**, Columbia University, NY
2004 **M.S. Clinical Psychology**, Columbia University, Teachers College, NY
1999 – 2001 **Executive Director**, The Maurer Foundation, Melville, NY
1997 - 1999 **Associate Director**, The Maurer Foundation, Melville, NY
1996 - 1997 **Program Director**, The Maurer Foundation, Melville, NY
1992 – 1996 **B.A. English**, Yale University, CT

AWARDS

2026 **Outstanding Research & Scholarship Award**, Kent State University
2025 **Supervising Scientist Award, Honorable Mention** – Hathaway Brown High School
Fellowship program in Science Research & Engineering, Cleveland, OH
2023 **Excellence in Graduate Research Mentorship Award** – Kent State University
2018 **Peer Support Award**, Akron City Police and Fire Peer Support Program
2018 **Community Support Award**, Ohio Professional Firefighters Association
2011-2013, 2018, 2022 **Faculty Excellence Award** – Kent State University
2013, 2015, 2016 **Faculty Fellowship** - Applied Psychology Center, Kent State University
2014 **Research & Creative Activity Appointment** – Kent State University
2011 **Early Career Faculty Fellowship** – Applied Psychology Center, Kent State University
2011 **Summer Faculty Fellowship** – Applied Psychology Center, Kent State University
2009-2011 **NIH Loan Repayment Award** – Emotion processing in Borderline Personality

LICENSURE

2010 **Clinical Psychology License # 6724**, Ohio State Licensing Board

PROFESSIONAL AFFILIATIONS

Association for Psychological Science
Ohio Psychological Association

EXTRAMURAL FUNDING

- **National Science Foundation**
I-Corps: Translation Potential of an Artificial Intelligence (AI) Simulation for Crisis-Ready Counseling Training
Role: Principal Investigator (MPI: Clinical-Technical Lead with PI Jin)
\$50,000 (direct), *Funded 2026-2027*
- **Ohio Department of Mental Health & Addiction Services: Innovation Grant**
Kent State University Student Life Study: Accelerating testing of smartphone intervention tools
Role: Principal Investigator (MPI with Gunstad)
\$522,000 (direct), *Awarded 2025, Project period 2025-2026*
- **National Institute of Mental Health R01MH113622**
Unpacking Emotion Inflexibility and Prospective Prediction of Affective Disease
Role: Principal Investigator
\$1.9 Million (direct), *Funded 2018-2024*
- **National Institute of Mental Health R01MH113622-S1**
Prospective Prediction of Affective Disease Following Trauma in Older Adults
Role: Principal Investigator
\$250,000 (direct), *Funded 2020-2024*
- **National Institute of Mental Health R15MH115337**
Emotion Processing Deficits and Risk for Impairment in Child Injury Victims
Role: Co-Investigator (PI Delahanty)
\$300,000 (direct), *Funded 2018-2022*
- **US Department of Education R305U200004**
An Educational Intervention to Combat Whole Number Bias in Risk Perceptions in an Ambiguous Health Context: COVID-19
Role: Co-Principal Investigator (Project Director: Thompson)
\$200,000 (direct), *Funded 2020-2021*
- **National Multiple Sclerosis Foundation**
Emotion Processing during Multiple Sclerosis: Cognitive Behavioral Indicators of Psychological Risk
Role: Principal Investigator
\$40,000 (direct), *Funded 2013-2015*
- **National Institute of Nursing Research R03NR0138772-01**
Pet Dogs as Compensatory Figures
Role: Co-Investigator (PI Kerns)
\$100,000 (direct), *Funded 2012-2014*

INTRAMURAL FUNDING

- **Kent State Research and Sponsored Programs / Office of the Provost**
Kent State Student Life Study
Role: Principal Investigator (MPI with Gunstad),
Initial Funding Period: 2022-2025; Funding for 2026-2031 Approved on 12/8/25

- **Large Research Award – Applied Psychology Center**
Physician-Patient Interaction
Role Co-I (with PIs Himmelstein & Taber), Funded 2023
- **Brain Health Research Institute Pilot Award (GOLD)**
Emotion dynamics as a psychotherapy process in community adults
Role Co-PI (with D. Disabato, post-doc fellow), Funded 2020-23
- **Farris Family Innovation Award, Kent State University Foundation**
Basic Emotion Regulation Processes in Psychopathology
Role: PI, \$24,000.00, Funded 2011-2014
- **Grant Development Award, Applied Psychology Center, Kent State University**
Emotion Processing Following Stress: Genetic and Behavioral Indicators of Psychological Risk
Role: Co-PI (with A. Jasnow), \$15,000.00, Funded 2012-2014
- **Kent State University Post-Doctoral Funding Program**
Genetic and Behavioral Indicators of Psychological Risk
Role: Co-PI (with A. Jasnow), Funded 2012-2014
- **Community Research Award, Applied Psychology Center, Kent State University**
Emotion Processing during Multiple Sclerosis: Cognitive Behavioral Indicators of Psychological Risk
Role: PI, \$2,000.00, Funded 2013
- **Institute for Clinical and Translational Research – Kent State University**
Genetic Predictors of Emotional Flexibility- PILOT
Role: Co-PI (with A. Jasnow), \$4,000.00, Funded 2012

INVITED PRESENTATIONS & COLLOQUIA

- January, 2026 **Department of Psychology, McGill University, Montreal, CA**
Scaling up and out: Investigation the potential of precision priming of positive emotion to improve mental health
- May, 2025 **Innovation Forum, Ohio Dept. Of Mental Health & Addictions Services, Columbus, OH**
Accelerating the Pace of Mental Health Intervention via Technology
- March, 2025 **Society for Affective Science, Clinical Affective Science Pre-Conference, Portland, OR**
The Future Looks Bright! Three ways affective science can drive innovation in psychotherapeutic intervention
- February, 2025 **President's Convening on Student Mental Health, NYU, New York, NY**
New Frontiers in College Mental Wellbeing Research
- November, 2024 **Coalition for Transformational Education, Leadership Conference, Chicago, IL**
Bridging the Gap between Research and Intervention to Improve Health and Wellbeing in College Students
- April, 2024 **Ohio Association of Professional Fire-Fighters, Annual Peer Support Conference**
Psychological Resilience and Adjustment to Trauma
- March, 2023 **American Psychosomatic Society Annual Conference, San Juan PR.**
Intersecting Risk: Merging individual-level processes with contextual and lifespan factors to improve models of common psychiatric disorders.
- October, 2020 **Brain Health Research Institute Virtual Conference, Kent State University**
Emotion & Cognition in Psychological Resilience
- May, 2019 **Keynote Address, Cleveland Clinic Akron General Trauma Conference:**
Resilience and Adaptation to Injury: Cognitive, Genetic and Behavioral Predictors
- October 2018 **Faculty Research Forum, College of Arts & Sciences, Kent State University**
Emotion, Stress & Disease: Detecting pathways of risk for emotion-related disorders
- August 2018 **Summa Health Systems: Trauma Residency Conference & Grand Rounds**
Psychological Resilience and Adjustment to Trauma: The RAI Study
- July 2018 **Akron City First Responders – Annual Peer Support Training, Akron OH**
Psychological Resilience and Adjustment to Trauma
- Jan 2018 **Ohio State University, Department of Psychology Clinical Science Colloquium,**
Emotion Flexibility in Psychological Health and Adjustment
- Jan 2018 **Ohio Professional Firefighters Association Annual Meeting, Columbus OH**
Psychological Resilience and Adjustment to Trauma
- April 2016 **Summa Health Systems: Psychiatry Grand Rounds**
Emotion v. Affect
- May 2014 **Metro Health Annual Conference**
Non-suicidal Self Injury: Understanding emotion-related risk and protective factors

CONFERENCE SYMPOSIA, FLASH TALKS & WORKSHOPS

(*indicates my student/trainee)

- Coifman, K.G.**, Korhummel, M., Scamaldo, K. & Gunstad, J. (August 2026). *In-vivo, moment-level, autonomic regulatory resources can be synched to future emotion regulatory actions: Unpacking a novel pathway to precision intervention*. Society for Ambulatory Assessment Annual Meeting, Vienna Austria.
- Fitzsimmons, C. J., Mielicki, M., Sidney, P. G., Taber, J. M., **Coifman, K. G.**, & Thompson, C. A. (June, 2026). *How does the ability to comprehend health statistics relate to risk perceptions and behavioral intentions? Findings from three studies of U.S. adults during the COVID-19 pandemic*. [Symposium Talk]. Annual Meeting of the Mathematical Cognition and Learning Society, Padua, Italy.
- Coifman, K.G. (2025).** *Can Spontaneous Speech Reveal True Mental Health Risk? A Study of Linguistic Features in At-Risk Adults*. Symposium (**K.G. Coifman Chair**): *AI-Based tools to understand and model psychopathology* presented at the Society for Research in Psychopathology Annual Meeting, Los Angeles, CA.
- *Baugher, B. J., & **Coifman, K.G.** (2024). *Within-person associations of daily activity to sleep-actigraphy following trauma: Explicating a novel index of risk for MDD and PTSD*. Research talk presented at Society for Research in Psychopathology Annual Meeting, Montreal, Canada.
- *Mitchell, B. J., **Coifman, K. G.**, & Olatunji, B. O. (2024, May) *Is disgust more resistant to extinction than fear? A meta-analytic review of laboratory paradigms*. Flash talk presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- *Korhummel, M. & **Coifman, K. G.** (2024, April). *What drives well-being in early-stage Multiple Sclerosis?* Oral presentation given at Midwestern Psychological Association, Chicago, Illinois.
- Brown, K. G. I., Sidney, P. G., Fitzsimmons, C. F., Taber, J. T., **Coifman, K.**, & Thompson, C. A. (2024, June). *Sources of variability in parents' support for mathematics learning at home*. Paper presented at the annual meeting of the Mathematical Cognition and Learning Society, Washington, D.C.
- *Baugher, B. J., & **Coifman, K.G.** (2023). *Childhood experiences predict risk and protective emotional responses in firefighters*. Symposium presented at Midwestern Psychological Association Annual Meeting, Chicago, IL.
- *Gawlik, E. A. & **Coifman, K. G.** (2023, May). *Negative interpretation biases: Mechanistic and clinical significance*. Symposium at the 2023 Association for Psychological Science Annual Convention, Washington, D.C.
- *Mitchell, B.J. & **Coifman, K.G.** (2023, April) *Disgusted, afraid, or sad: Do context-sensitive discrete emotional responses following a traumatic injury protect against specific symptom dimensions?* Symposium presented at the 2023 Anxiety and Depression Association of America Annual Conference in Washington, DC.
- *Mitchell, B.J., Taber, J.M., Thompson, C.A., Sidney, P.G., & **Coifman, K.G.** (2022, June) *What activates the behavioral immune system during a global pandemic? Perceived, but not objective, risk*. Symposium presented at the 33rd Human Behavior and Evolution Society (Still) Virtually Everywhere 2020 Conference.
- *Seah, T. H. S., & **Coifman, K. G.** (2022, March). *Beyond negativity: Granularity in positive emotional experience buffers against effects of stress on psychological health*. Flash talk presented at the 2022 convention of the Society for Affective Science, USA. (Virtual)
- *Aurora, P., & **Coifman, K.G.**, (2021, September). *Fear Acquisition and Extinction Predict Avoidance and Impulsive Behaviors in Daily Life*. Flash talk submitted at the virtual ISTSS conference.

- *Aurora, P., & **Coifman, K. G.** (2021, May). Synthesizing Theoretical Perspectives of Maladaptive Behaviors: A Trans-Diagnostic, Trans-Behavioral Model of Distress Regulation. Flash talk presented at the virtual APS Annual Conference.
- Coifman, K.G.** (2021, May) *Unpacking Emotion Flexibility and Psychological Adjustment: Testing a cognitive-emotional resource framework*. Flash talk presented at the 33rd annual convention of the Association for Psychological Science, USA. (Virtual showcase)
- *Seah, T. H. S., & **Coifman, K. G.** (2021, May). *Show and tell: Discrepancies between facial and self-reported emotion predict psychosocial functioning across three stressed adult community samples*. Flash talk presented at the 33rd annual convention of the Association for Psychological Science, USA. (Virtual showcase)
- *Disabato, D. J., *Aurora, P., & **Coifman, K. G.** (2021, Apr). *The role of affect in self-care behaviors during the COVID-19 pandemic*. Presented at the annual convention for the Society of Affective Science (SAS), Virtual.
- *Seah, T. H. S., Almahmoud, S. Y., & **Coifman, K.G.** (2021, April). *Feel to heal: Emotion differentiation promotes Multiple Sclerosis medication adherence*. Flash Talk presented at the 93^d Annual Meeting of the Midwestern Psychological Association, Chicago, IL, USA. (Virtual showcase)
- *Disabato, D. J., & **Coifman, K. G.** (2020, Nov). Well-being through stability: The benefits of reacting less to pleasant activities in daily life. In K. Kelso (Chair), *New research directions at the interface of values and psychological flexibility*. Presented at the annual convention for the Association for Behavioral and Cognitive Therapies (ABCT), Virtual.
- *Aurora, P., & **Coifman, K.G.** (2020). *From social avoidance to substance use: Working memory predicts self-defeating regulatory behavior regardless of diagnostic status*. The Roles of Emotion and Emotion Regulation in Reward-Related Health Behaviors, Chair: Jennifer Taber, PhD. Symposium to be presented at the 2020 APS Annual Conference, Chicago, IL. *Conference Cancelled due to COVID-19*
- *Aurora, P., & **Coifman, K. G.** (2019). *Avoidance and Social Anxiety in college students: Personality and affect predict substance use and social avoidance*. Symposia presented at the 2019 APS Annual Conference, Washington, D. C.
- *Summers, C.B., **Coifman, K.G.** (2019, May). The Interplay Between Sleep and Emotion Regulation Across the Lifespan. Symposium presented at the annual meeting for the Association for Psychological Science, Washington, DC.
- *Seah, T. H. S., & **Coifman, K. G.** (2019, April). *Working memory and emotion regulation: Pronoun use as a mediator*. Talk presented at the 91st Annual Meeting of the Midwestern Psychological Association, Chicago, IL, USA.
- *Seah, T. H. S., & **Coifman, K. G.** (2019, February). *Pronoun use mediates the relationship between working memory capacity and emotion regulation*. Talk presented at 8th International Conference on Cognitive and Behavioral Psychology, Singapore.
- *Seah, T. H. S., & **Coifman, K. G.** (2018, May). The moderating role of emotion differentiation in the relationship between rumination and maladaptive behaviors among individuals with depression and/or social anxiety. In Seah, T. H. S. & K.G. Coifman (Chair), *Emotion Differentiation as a Protective Factor against Negative Self-Referential Processing: Links to Adaptive and Maladaptive Behaviors across Populations and Time Points*. Symposium conducted at the 30th annual convention of the Association for Psychological Science, San Francisco, CA, USA.
- Coifman, K.G.** (2018). Affective Science for Clinical Scientists: Theory, design and methodological tools for investigating emotion processing and emotion dysregulation. Workshop presented at the Annual Convention of the Association for Cognitive and Behavioral Therapies, Washington, D.C.
- Coifman, K.G.** (2017). When Context Matters: Negative Emotions and Psychological Adjustment. Talk presented at the 2017 Annual Convention: Society for Affective Science, Boston, MA.

- *Nylocks, K.M. & **Coifman, K.G.** (2016). The influence of brain-derived neurotrophic factor on emotional and behavioral rigidity: Applying neuroscientific cross-species models to understanding psychiatric risk and new interventions. Maria Nylocks & Karin Coifman (co-chairs) at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Matt, L.M. & **Coifman, K.G.** (2015). Rumination & Emotion flexibility: An examination of the buffering effects of working memory. Presented in a symposium: The Role of Executive Functioning in Effective Emotion Regulation. Lindsey Matt & Karin Coifman (co-chairs) at the Annual Meeting of the Association for Psychological Science, New York, NY.
- *Matt, L.M., *McKinney, R.A., *Shields, M., *Gorfido, A., *Strasshofer, D.R., *Bishop, M.M. & **Coifman, K.G.** (2014) *The Stability of Negative Affect Differentiation in Emotional Disorders Across Contexts*. Presented in a symposium: Labeling and Differentiating Affective Experiences: Links to adaptive and maladaptive responses across anxious populations. Lindsey Matt & Karin Coifman (Co-Chairs) at the annual convention of the Association for Psychological Sciences, Washington, D.C.
- *Matt, L.M., Jasnow, A.M., *Latsko, M., *Flynn, J., *Pinto, L., *Gilman, L., **Coifman, K.G.** (2014). Considering 5HTTLPR and rs25531SNP when Responding to Emotion Provocation: The key role of context when identifying downstream markers of psychological risk. In L. Gilman and K.G. Coifman (Chairs), Translational Investigations Reveal Serotonin Transporter Genotype Influences Emotional Processing of Environment. Symposium presented at the 2014 Annual Meeting of the Association for Psychological Science, San Francisco, CA.
- Coifman, K.G.**, Downey, G., Berenson, K., Rafaeli, E. & Romero-Canyas, R. (2010) *Efficiency in processing facial emotion and social attribution in Borderline and Avoidant Personality Disorders*. In E. Linardatos & D.M. Fresco (chairs) "Its written all over your face: The relationship of facial emotion recognition and processing to interpersonal functioning, psychopathology, and life adversity." Symposium presented at the annual convention of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.
- Berenson, K., Thomas, M., **Coifman, K.G.**, Rafaeli, E., & Downey, G. (2010). *Perceived Rejection as a Trigger for Rage in Borderline Personality Disorder*. In K. Berenson (Chair) "Linking Interpersonal and Emotional Problems in Borderline Personality Disorder: Diary Research Approaches" Symposium presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- Coifman, K.G.**, Berenson, K., Rafaeli, E. & Downey, G. (2010). *Sensitization to Negative Emotional Expressions and Interpersonal Dysfunction in Adults with Borderline and Avoidant Personality Disorders*. In K.G. Coifman (chair) "Biases in processing social cues: Links to early aversive experiences and functioning across the lifespan." Symposium presented at the annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- Berenson, K, **Coifman, K.G.**, Leventhal, N., Rafaeli, E. & Downey, G. (2009). *Polarization of Positive and Negative Interpersonal Experiences in Borderline Personality Disorder*. In K. Berenson (chair) "Interpersonal Dysfunction in Borderline Personality Disorder" Symposium presented at the XIth Congress of the International Society for the Study of Personality Disorders, New York, NY.
- Coifman, K.G.**, Berenson, K., Furhman, L., Downey, G. & Rafaeli, E. (2009). *Differentiation and Synchrony in Borderline Personality Disorder; a link to non-suicidal self injury, impulsivity, and impairments in daily functioning*. In K.G. Coifman & J. Russell (co-chairs) "Affect Dynamics and Fluctuation in Borderline Personality Disorder" Symposium presented at the XIth Congress of the International Society for the Study of Personality Disorders, New York, NY.
- Coifman, K.G.** & Bonanno, G.A. (2009). *Emotion Context Sensitivity, Depression, and Recovery from Bereavement*. In K.G. Coifman (chair) "Modeling the Course of Adjustment: predicting long-term

- recovery and resilience following acute and chronic stress". Symposium presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- Bonanno, G.A. & **Coifman, K.G.** (Jan.2008). *Context Insensitivity, Depression, and Recovery from Bereavement*. In G.A. Bonanno (chair) Symposium on Emotion and Psychopathology at the annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.
- Coifman, K. G.,** & Bonanno, G. A. (2007). *From negative to positive: Does flexibility in emotion responding predict adjustment during stressful life events?* In McLean, K. C., & Pals, J. L. (Co-chairs), "The many ways we broaden-and-build: Processing responses to negative and positive events and multiple pathways to emotional well-being," Symposium presented at the annual meeting of the Society for Personality and Social Psychology, Memphis, TN.
- Bonanno, G.A., Seivert, N. & **Coifman, K.G.** (Nov. 2006). *Resilience and Flexibility in Emotional Responding*. Symposium on Cognitive-Affective Bases of Resilience to Stress and Trauma at the Annual Conference of the International Society for Traumatic Stress Studies, Los Angeles, CA.
- Bonanno, G.A. & **Coifman, K.G.** (Jan. 2006). *Affective-Autonomic Response Discrepancy (AARD); an ostensibly automatic form of emotion regulation*. Symposium on Automatic forms of Emotion Regulation presented at the Annual Conference, Society for Personality and Social Psychology, Palm Springs, CA.

CONFERENCE POSTER/ABSTRACT PRESENTATIONS

- *Gawlik, E. A., & **Coifman, K. G.** (2025, September). *Which bias matters more? A comparison of threat detection biases and interpretation biases in the aftermath of traumatic events*. Poster presented at the 41st Annual Meeting of the International Society for Traumatic Stress Studies, Baltimore, MD.
- *Scamaldo, K. M., & **Coifman, K. G.** (2025). *Can sleep disturbance differentiate recovery from chronic disruption? A comparison of self-report vs. actigraphy indicators*. Poster presented to the Society for Research and Psychopathology Annual Meeting, Los Angeles, LA.
- *Dhaer, S., *Scamaldo, K. M., Gunstad, J., & **Coifman, K. G.** (2025). *Traumatic brain injury vs. sleep apnea: The unexpected predictor of emotion regulation after trauma exposure*. Poster presented at the Society for Research and Psychopathology Annual Meeting, Los Angeles, LA.
- *Scamaldo, K. M., & **Coifman, K. G.** (2025). *Why can't I sleep? The role of pain catastrophizing and neuroticism traits in sleep disturbance after traumatic events*. Poster presented at the International Society for Traumatic Stress Studies 41st Annual Meeting, Baltimore, MD.
- *Scamaldo, K. M., & **Coifman, K. G.** (2025). *Examining the bidirectional associations between personality traits and sleep disturbance*. Poster presented at the 97th Annual Convention of the Midwestern Psychological Association, Chicago, IL.
- *Boring, B.L., Gunstad, J., & **Coifman, K.G.** (2025). Disease self-efficacy, not self-reported fatigue, is associated with 1-minute sit-to-stand performance in people with migraines. Poster presented at the United States Association for the Study of Pain's Annual Scientific Meeting, Chicago, IL.
- *Boring, B.L., *Aramesh, P., *Wilson, S., Gunstad, J., **Coifman, K.G.** (2025). Protective childhood experiences and recent experiences of acute chest pain. Poster presented at the Midwestern Psychological Association Conference, Chicago, IL.
- *Korhummel, M., Gunstad, J., & **Coifman, K. G.** (September, 2025). *How do they intersect? Mapping longitudinal trajectories of psychological symptoms versus psychological well-being among college students*. Poster presentation at the Society for Research in Psychopathology 2025 Annual Meeting in Los Angeles, California.

- *Korhummel, M. & **Coifman, K. G.** (September, 2025). *Adaptive coping after trauma: The role of emotional self-efficacy*. Poster presentation at the International Society for Traumatic Stress Studies 41st Annual Meeting in Baltimore, Maryland.
- *Ujjineni, T., *Brown, K., *Korhummel, M., Gunstad, J., & **Coifman, K. G.** (April, 2025). *Predicting adaptive coping in college students: The role of emotional self-efficacy*. Poster presentation at the 2025 Undergraduate Research Symposium at Kent State University in Kent, Ohio.
- *Brown, K., *Ujjineni, T., *Korhummel, M., Gunstad, J., & **Coifman, K. G.** (April, 2025). *Emotional self-efficacy and adaptive health behaviors in young adults*. Poster presentation at the 2025 Midwestern Psychological Association in Chicago, Illinois.
- *Baugher, B. J., & **Coifman, K.G.** (2024). Can three items predict psychopathology after trauma? Developing a mental health triage system. Poster presented at International Society for Traumatic Stress Studies Annual Meeting, Boston, MA.
- *Mitchell, B.J., **Coifman, K.G.**, & Olatunji, B.O. (2024, May) Disgust is more resistant to extinction than fear: A meta-analytic review of laboratory paradigms. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- *Gawlik, E. A. & **Coifman, K. G.** (2024, May). Negative interpretive biases shape emotional responses to positive contexts. Poster accepted for presentation at the 2024 Association for Psychological Science Annual Convention, San Francisco, CA.
- *Dhaher, S., *Mitchell, B.J., & **Coifman, K.G.** (2024, April) What predicts loneliness in first-year college students? Investigating personality and social factors. Poster presented at the Midwest Psychological Association, Chicago, IL.
- Cheng, I., Taber, J., Simonovic, N., **Coifman, K. G.**, Sidney, P., & Thompson, C. A. (2024, March). *Longitudinal associations among perceived ambiguity and risk beliefs*. Poster presented at the 45th Annual Meeting of the Society of Behavioral Medicine, Philadelphia, P.A.
- Jaramillo, S., O'Brien, A., Schiller, L., Fitzsimmons, C., Scheibe, D., Taber, J., **Coifman, K.**, Matthews, P., Mielicki, M. Waters, E., Sidney, P., & Thompson, C. A. (2024, June) Are math-related individual differences associated with *COVID-19-related* graph interpretation accuracy? Poster to be presented at the Mathematical Cognition and Learning Society Conference, Washington, D.C.
- *Baugher, B. J., *Mitchell, B. J., & **Coifman, K.G.** (2023) Working memory capacity and negative affect as predictors of maladaptive regulatory behavior engagement in active-duty firefighters. Poster presented at International Society for Traumatic Stress Studies Annual Meeting, Los Angeles, CA.
- *Seah, T. H. S., Gunstad, J., Delahanty, D. L., & **Coifman, K. G.** (2023, May). *Sleep difficulties are associated with emotion inflexibility during adjustment to traumatic events*. Poster accepted at the 35th annual convention of the Association for Psychological Science, Washington, DC, USA.
- *Seah, T. H. S., Gunstad, J., Delahanty, D. L., & **Coifman, K. G.** (2023, March). *Associations between sleep disturbance and emotional complexity*. Poster presented at the 7th Annual Sleep & Circadian Science Research Day, Pittsburgh, PA, USA.
- *Baugher, B. J., & **Coifman, K. G.** (2022). *Childhood experiences predict in-vivo emotional reactivity in at-risk adults: A study of active-duty firefighters*. Poster presented at International Society for Traumatic Stress Studies Annual Meeting, Atlanta, GA.
- *Baugher, B. J., & **Coifman, K. G.** (2022). *Childhood experiences predict in-vivo emotional reactivity in at-risk adults: A study of active-duty firefighters*. Poster presented at Association for Psychological Science Annual Convention, Chicago, IL.
- *Seah, T. H. S., & **Coifman, K. G.** (2022, May). *Beyond negativity: Granularity in positive emotional experience buffers against effects of stress on psychological health*. Poster presented at the 34th annual convention of the Association for Psychological Science, Chicago, IL, USA.

- *Gawlik, E. A., *Disabato, D., & **Coifman, K. G.** (2022, May). Do negative interpretive biases drive low positive emotional reactivity? Poster presented at the 2022 Association for Psychological Science Annual Convention, Chicago, IL.
- *Mitchell, B.J., Al-Shawaf, L., & **Coifman, K.G.** (2021, June) *Disgust, Mating, and Intrusive Thoughts*. Poster to be presented at the 2021 Virtual Human Behavior and Evolution Society Conference.
- *Mitchell, B.J. & **Coifman, K.G.** (2021, May) *Boosting Positive Emotion Buffers Against Disgust-Reactivity*. Poster to be presented at the 2021 APS Virtual Convention.
- *Nguyen, T., *Disabato, D., & **Coifman, K.** (2021 April). *The roles of protective and adverse childhood experiences, social support in the long- term psychological adjustment of adults following trauma exposure*. Ohio Public Health Association Conference
- *Seah, T. H. S., Sidney, P. G., Taber, J. M, Thompson, C. A., & **Coifman, K. G.** (2021, August). *Exploring the relationship between emotional complexity and risk-related behaviors during COVID-19*. Poster presented at the 2021 annual convention of the American Psychological Association, San Diego, CA, USA. (Virtual showcase)
- *Seah, T. H. S., & **Coifman, K. G.** (2021, May). *Use your (own) words: Exposure to emotion labels improves naturalistic emotion differentiation*. Poster presented at the 33rd annual convention of the Association for Psychological Science, USA. (Virtual showcase)
- *Mitchell, B.J., *Balikos, S., *Seah, T.H., & **Coifman, K.G.** (2020, November) *Does past Military experience foster resilience against negative emotional reactivity in active-duty firefighters? A psychophysiological perspective*. Poster presented at the 2020 conference for the International Society for Traumatic Stress Studies, virtually.
- *Aurora, P., *Disabato, D. J., **Coifman, K.G.** (2020). *The dynamics of positive emotion, social connection, and health in community members following a PTSD qualifying event and in college students*. Poster presented virtually at the ISTSS conference, Atlanta, GA.
- *Seah, T. H. S., & **Coifman, K. G.** (2020, May). Emotional self-efficacy predicts lower negative but higher positive affect in daily life across clinical and community samples. Poster presented at the 32nd annual convention of the Association for Psychological Science, Chicago, IL, USA. *Cancelled due to COVID-19 restrictions*.
- *Seah, T. H. S., & **Coifman, K. G.** (2020, April). Meta-analysis of the association between emotion differentiation and behavioral dysregulation in clinical and non-clinical samples. Poster to be presented at 7th annual convention of the Society for Affective Science, San Francisco, CA, USA. *Cancelled due to COVID-19 restrictions*.
- *Aurora, P., & **Coifman, K.G.** (2020). *The dynamics of positive emotion, social connection, and health*. Flashtalk to be presented at the 2020 Midwestern Psychological Association Conference, Chicago, IL. *Cancelled due to COVID-19 restrictions*.
- *Salvo, H. D., **Coifman, K. G.**, & Arnold, H. S. (2020, November). Facial coding of emotions in preschool-age children who stutter during a cognitively stressful speech task. Poster proposal submitted for presentation at the annual meeting of the American Speech-Language-Hearing Association in San Diego, CA *Cancelled due to COVID-19 restrictions*.
- *Salvo, H. D., **Coifman, K. G.**, & Arnold, H. S. (2020, August). Facial coding of emotions in preschool-age children who stutter during a cognitively stressful speech task. A 30-minute presentation given at the annual Great Lakes Stuttering Research Consortium.
- *Salvo, H. D., **Coifman, K. G.**, & Arnold, H. S. (2020, April). Facial coding of emotions in preschool-age children who stutter during a cognitively stressful speech task. Poster presented at the annual Society for Affective Science conference in San Francisco, CA. *Cancelled due to COVID-19 restrictions*.
- *Ford, M.F., Gilman, T.L., Jasnow, A.M., & **Coifman, K.G.** (2020, May). *Dopamine receptor polymorphism (DRD4 -521C/T) and responsivity to emotional films and social challenge*. Poster

- session to be presented at the annual Association for Psychological Science Convention Chicago, IL. *Cancelled due to COVID-19 restrictions.*

- *Furhman, L., **Coifman, K.G.**, Rafaeli, E. Berenson, K. & Downey, G. (2009) *Rumination and differentiation of negative affect predict impulsive behavior in women with Borderline Personality Disorder*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Tampa, FL.
- Coifman, K.**, Bonanno, G.A., Ray, R. & Gross, J., (May 2004) *The Benefits of Emotion Avoidant Coping in Bereaved and Non-bereaved Samples*, Poster presentation at the annual meeting of the American Psychological Society, Chicago, Illinois.

PROFESSIONAL ACTIVITIES

Grant Review Panel Standing Member: Social Personality and Interpersonal Processes Study Section
Center for Scientific Review, National Institutes of Health (2021-2024)

Ad hoc Grant Review Panels:

NASA – HERO: Human Research Omnibus Grant Study Section (2019-2020; 2026)
NIH – Social Psychology, Personality, and Interpersonal Processes Study Section (2019-2020)
NIH – Mechanisms of Emotion Stress and Health Study Section (10/2020)
NIH - Adult Lifespan and Psychopathology Study Section (6/2025)
NASA – Translational Research Institute for Space Health – BRASH Study Section (7/2019)
Ontario Mental Health Foundation, Canada (adhoc reviews 2014-2020)
National Science Centre, Poland (adhoc reviews 2013-2015)
Israel Science Foundation (adhoc reviews 2012-2023)

Associate Editor, 2024-present: *Emotion*

Guest Editor: Special Issue- Bridging the Gap between Clinical and Emotion Science (2027)

Associate Editor, 2020-2024: *Anxiety, Stress & Coping*

Associate Editor, 2018-2020: *Frontiers: Health Psychology & Frontiers: Psychology in Clinical Settings*

Current Editorial Board Member: *Clinical Psychological Science*
Journal of Emotion in Psychopathology
Emotion 2018-2024

Ad Hoc Reviewer: *Ageing and Society*
American Journal of Orthopsychiatry
American Psychologist
Archives of General Psychiatry
Behavior Therapy
Cognition and Emotion
Cognitive Therapy, and Research

TEACHING

2010 - present	Department of Psychological Sciences, Kent State University <u>Graduate Courses:</u> <i>Introduction to Psychotherapy: Theory and Research</i> <i>Clinical Research Methods</i> <i>Emotion</i> <i>Practicum Supervision – Individual</i> <i>Practicum Supervision – Group</i> <i>Practicum in Diagnostic Interviewing</i> <i>Seminar Series in Developmental Psychology</i> <u>Undergraduate Courses:</u> <i>Introduction to Clinical Psychology</i> <i>Individual Research Investigation</i> <i>Emotion, Culture & Health</i>
2009 - 2010	Teachers College, Columbia University, <i>Emotion, Culture, and Health</i>
2009 - 2010	Barnard College, Columbia University <i>Introduction to Clinical Psychology</i>

DISSERTATION & THESIS SUPERVISION

PhD Committees Chaired:

- **Jessica J. Flynn, PhD Clinical Psychology**
Dissertation: *Daily Fear in Social Anxiety Disorder* (defended 7/7/16)
- **Lindsey M. Matt, PhD Clinical Psychology**
Dissertation: *The Effects of a Brief Emotion Learning Intervention on Emotion Differentiation Abilities, Symptoms of Psychopathology, and Distress* (defended 7/26/18)
- **K. Maria Nylocks, PhD Clinical Psychology**
Dissertation: *Fear- pathology etiology: Fear reactivity, fear recovery, and regulatory resources* (defended 8/26/19)
- **Pallavi Aurora, PhD, Clinical Psychology**
Dissertation: *Fear Learning Predicts Traditional Avoidance and Impulsive Regulatory Behaviors in Daily Life: Examining the Relationship Between Classical and Operant Learning* (defended 6/7/21)
- **T.H. Stanley Seah, PhD, Clinical Psychology**
Dissertation: *Putting Feelings into (My Own) Words: Comparison of Affect Labeling Approaches on Psychological Health, Emotional Self-Efficacy, and Emotion Differentiation in Daily Life* (defended 6/15/21)
- **Shaima Y. Almahmoud, PhD Clinical Psychology**
Dissertation: *Attributions in Chronic Illness and Affective Disorders: Similarities and Differences* (defended 7/9/21)
- **Benjamin J. Mitchell, (PhD Clinical Psychology, expected 8/26 post internship)**
Dissertation: *Fear and Loathing in the Laboratory: An experimental comparison of Pavlovian Fear and Disgust Learning.*

(defended 5/14/25)

Number of PhD Committees Overall: 30
Number of Comprehensive Exam Committees: 34 (9 chaired)
Number of MA Committees: 32 (8 chaired)
Number of Undergraduate Honors Theses: 7 (1 chaired)
PhD Committees at other Institutions: 2

SERVICE

UNIVERSITY SERVICE

2024 - 2026	Steering Committee, Brain Health Research Institute
2021 - 2024	Executive Committee, Brain Health Research Institute
2020- 2024	Steering Committee Member, Healthy Communities Research Institute
2022-2023	Search Committee Member, Director of Research Development, Research and Sponsored Programs/ VP Office of Research
2021	Search Committee Member, Dean, College of Arts & Sciences
2020 - 2022	Member, University Research Council
2017 -2022	Member, Institutional Review Board

PSYCHOLOGICAL SCIENCES DEPARTMENT SERVICE

2023-2024	Associate Chair
2012-13; 2014-16, 2018-20, 2021-23	Faculty Advisory Committee (elected)
2022-2023	Chair, Search Committee: Biological Psychology
2021-2022	Chair, Search Committee: Human Neuroscience
2018-2020	Chair, Social Justice Committee
2016-2018	Faculty Search Committees (3): Clinical, Behavioral Neuroscience, Diversity
2016, 2020	Chair Review Committee (elected)
2012 – 2017	Clinical Brown Bag Coordinator
2012 - 2017	Clinic Advisory Committee (Appointed Chair, 2014-2017)
2014 - 2017	PSYCHE Newsletter Committee
2012-2014	Colloquium/Distinguished Speakers Series Coordinator
2011 – 12, 2013-14, 2016-17	Applied Psychology Center Committee (elected)
2010 – 2012	Undergraduate Coordinating Committee
